

Each tee has 2 players, the first player hits one shot as close to the centre line of cones as possible. The second player tries to beat their opponent. After three rounds, the winner moves up a league and the loser down a league.

Game play

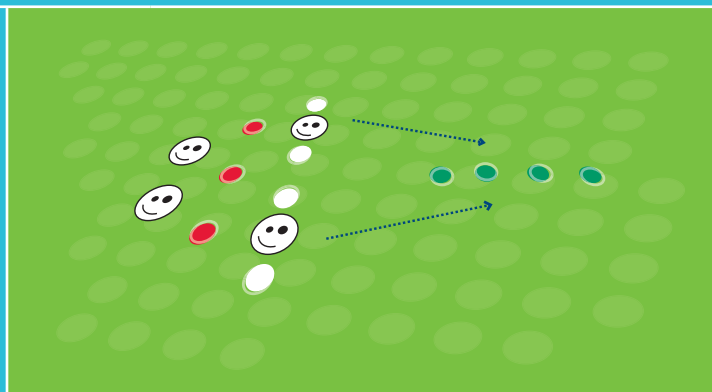

After a few rotations, see which player finishes in which league from Champions League to the Conference.

Mixed ability coaching

Move the line further away or change the colour of the line as it gets further away to score more points.
